

Start'Ship is promoting, developing and strengthening the entrepreneurial skills of higher education students through practical activities and an interactive training programme.

Start'Ship main activities are:

1. StudentsXStudents Entrepreneurs Hackathons.
2. A dual training session on the key topics related to entrepreneurship.
3. A StudentsXStartups Hackathon.

Project
Area

€400,000 EU Funding

Sep 2023 - Aug 2025
